Invented for life

## Public transportation and parking facilities

### From Berlin Tegel Airport (approx. 45 minutes):

Take the 128 bus toward "Osloer Straße". After 6 stops (10 minutes), get off the 128 at the Kurt-Schumacher-Platz subway station. Get on the U6 train toward "Alt-Mariendorf". After 21 stations (30 minutes), get off the U6 at "Ullsteinstraße" station. Take the exit closest to the front of the train, then follow the signs to Ullsteinstraße. When you exit the station, you will see the Ullsteinhaus to your left. The entrance to Bosch Software Innovations is from Ullsteinstrasse. Walk along the driveway, pass the gatehouse to you right and in the middle under the building. Then turn right across the courtyard and up the large open steel-staircase. For accessing the Bosch IoT Campus barrier-free, please use the elevator from ground level.

### From Berlin Schönefeld Airport (approx. 45 minutes):

Take the S45 suburban train toward "Südkreuz" station. After 10 stations (20 minutes), get off the S45 at "Tempelhof" station. From there, take the U6 subway train toward "Alt-Mariendorf". After 3 stations (8 minutes), get off the U6 at "Ullsteinstraße" station. Take the exit closest to the front of the train, then follow the signs to Ullsteinstraße. When you exit the station, you will see the Ullsteinhaus to your left. The entrance to Bosch Software Innovations is from Ullsteinstrasse. Walk along the driveway, pass the gatehouse to you right and in the middle under the building.

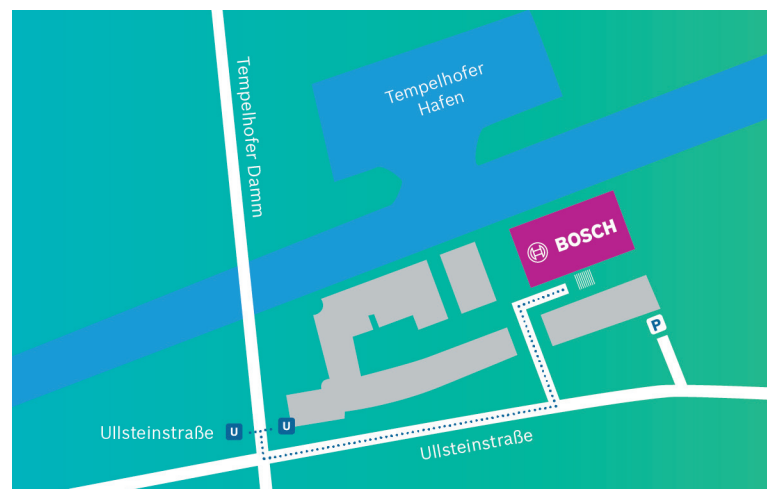

Then turn right across the courtyard and up the large open steel-staircase. For accessing the Bosch IoT Campus barrier-free, please use the elevator from ground level.

### From Berlin Central Station (approx. 30 minutes):

Take either the S5, S7, or S75 suburban train toward "Friedrichstraße". After 1 station (2 minutes), get off the train. Switch to the subway station and get on the U6 train toward "Alt-Mariendorf". After 11 stations (15 minutes), get off the U6 at "Ullsteinstraße" station. Take the exit closest to the front of the train, then follow the signs to Ullsteinstraße. When you exit the station, you will see the Ullsteinhaus to your left. The entrance to Bosch Software Innovations is from Ullsteinstrasse. Walk along the driveway, pass the gatehouse to you right and in the middle under the building. Then turn right across the courtyard and up the large open steel-staircase. For accessing the Bosch IoT Campus barrier-free, please use the elevator from ground level.

### Parking near Bosch Software Innovations:

Visitors who drive to Bosch Software Innovations can park free of charge in the underground parking garage on Ullsteinstraße. Please park in a designated Bosch space only. To get to the reception desk, take the elevator to level 1 (one story above the ground floor).
